YOUR PLANNER

FAITH HEPNER

As the Owner and Lead Planner/Designer for Whimsy Events, Faith has spent over 18 years planning events all over the country. Faith grew up in the Reno/Lake Tahoe area and has decades of relationships built in the community with vendors and intimate knowledge of the beautiful area she calls home.

A few of Faith's favorite things are:

- Paddle Boarding
- Snuggling a niece or nephew
- Eating Sushi
- Coffee
- Fishing
- Volunteering
- Watching a reality tv show
- Singing a Disney song

THIS ISN'T JUST A BUSINESS...

Your wedding isn't just one more date on our calendar. We don't take it lightly that you're considering Whimsy Events to plan one of the most important days of your life. We care about every detail you share with us for your wedding day because it should be executed flawlessly with your goals in mind.

Each love story is given undivided attention and every detail is cared for with a trained eye.

Whether it's a beautiful meadow, the perfect outcropping of pine trees, a breathtaking vista, or barefoot with your toes in the sand as you say "I DO!"...we make it happen.

THE ADVENTURE BEGINS...

WHAT TO BRING

With all the planning and details handled by us, all you need to do is decide what you'll be wearing!

We provide a packing list with your welcome kit and it includes suggested items to pack depending upon your elopement location and time of year.

Activities are endless so we speak with each couple and suggest activities, sports, restaurants and experiences they can check out.

You are responsible for making your travel reservations & getting here...we do everything else!

WHAT TO KNOW

High altitude elopement locations pose their own set of challenges. With us you won't be surprised by the "unknowns" of a new place or have unmet expectations. We walk with you every step of your journey and ensure your plans are executed and your expectations are realistic.

Did you know? At a high elevation like Lake Tahoe, one glass of wine actually acts like two in your system. We help you prepare with helpful tips!

Did you know? Lake Tahoe has something called the "Lake Effect" and actually creates its own weather? We closely observe and make sure we're ready for anything!

WHAT WE DO

Once you book with Whimsy Events for an Elopement Experience we get to work right away securing in demand vendors that fit your vision. We take no chances and make sure you get the very best vendors for your wedding day!

As your Elopement nears we give you regular updates, assist with travel advice, tie up last minute details, watch the weather, communicate with vendors, create your timeline of events and keep in close contact with you during your travels.

Stress-free is the way to go!
